Happy International Nurses Day to all nurses: 12 May 2014

“The Democratic Nursing Organisation of South Africa (DENOSA), with over 86 000 members, wishes all nurses of South Africa a Happy International Nurses Day on the 12th of May.

This year’s theme, “Nurses: A Force for Change, A vital Resource for Health” speaks volumes about the value that nurses add in ridding the world of diseases and illnesses. Through Positive Practice Environments (PPE) campaign in SA, nurses are demonstrating to government and society that they are a vital resource for health and their power in changing the world for better. The achievement of the campaign in Northern Cape, working with SANDF and other key partners, exemplifies the essence of collaboration with various stakeholders to achieve the goals” - Dorothy Matebeni, DENOSA President and veteran nurse.
