RE : INVITATION TO JOIN THE MARCH AGAINST GENDER-BASED VIOLENCE AND FEMICIDE

Revolutionary greetings,

The Progressive Women's Movement of South Africa would like to invite you to a historical march to the Union Buildings on the 29th of November 2024. This event falling within the internationally recognized 16 Days of Activism against Gender-Based Violence will be used as a platform to advocate for legislative reforms to increase penalties including reparation to victims of genderbased violence and their families, as it is the obligation of the State to respect, protect, promote and fulfil the rights of all people.

The march reaffirms PWMSA mandate of uniting the women of South Africa, strengthening the relationship between the government and women's organisations, and to fight against the discrimination of women in all spheres of life. Furthermore, this march is organised to safeguard constitutional rights as enunciated in the Constitution to enshrine the rights of all people in our country and affirm that everyone is equal before the law, and has the right to equal protection and benefit of the law.

Details of the March are as follows:

Date: Friday, 29 November 2024
